Senator Brian Burke
Co-Chairs, Joint Committee on Finance

DATE: November 6, 1996

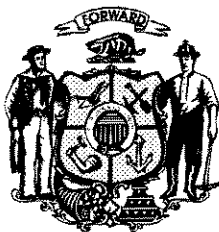

RE: 14-day passive review

Attached is a copy of a request from Secretary James Klauser, which we received on November 5, 1996, regarding approval of additional applications under the volunteer health care provider program, authorized under s. 146.89 of the Wisconsin Statutes. During its April 16, 1996 s. 13.10 meeting, the Joint Committee on Finance approved joint application of Donated Health Care Services Inc. agency in Washington County and twelve medical professionals for participation in the program. At that meeting, the Committee also established that additional medical professionals who volunteer their services in joint application with Donated Health Care Services, Inc., are eligible for approval to participate in that program subject to approval by the Committee under a 14-day passive review process. The October 30, 1996 letter from Secretary Klauser seeks approval of applications from 19 additional providers who wish to provide volunteer services through Donated Health Care Services, Inc. Please contact **Representative Brancel or Senator Burke** no later than **Friday, November 22, 1996** if you have any questions about this request or would like the Committee to meet formally to review.
